

FREIGHT WITH US

Promotional Tariff for Container Traffic: Transit, Import & Export Cargo for the Period 4th January 2018 to 4th April 2018

Kenya Railways has introduced a promotional tariff for the Madaraka Freight Service customers. The promotional tariff is valid for three months (January 4th to April 5, 2018).

CONTAINERS (UP and Down Direction)

FOR All Containers to and from Kilindini port/Port Reitz freight terminal AND EKT (ICDE)/Nairobi Freight Terminal)

| Size | Weight Range in Tonnes | Rate USD for Loaded Container | | Empty container Return Rate USD | |
|---------------|------------------------|-------------------------------|----------------|---------------------------------|-------------------------|
| | | Up Direction | Down Direction | Ex UP Direction by Rail | Ex UP Direction by Road |
| 20' Container | Full range | 250 | 150 | 100 | 150 |
| 40' Container | Full range | 300 | 200 | 100 | 150 |

The minimum chargeable distance for all types of goods for up and down direction is 300 kilometres.

Value Added Tax (VAT) is levied by the Government at 16 per cent on domestic freight. Others are taxed as below:

1. Transit cargo is zero rated
2. Export cargo is zero rated
3. Transportation cost to and from the Inland Container Depot - Embakasi is zero rated but must be supported by relevant documents.
4. All other items as may be exempted by the Government from time to time.
